

## EPIC ZOMBIE IRISH ALE

This beer was inspired by music from the Irish band the *Cranberries* and their hit song, *Zombie*. Brewed using extract and a three-hop blend—Warrior, Mt. Hood, and Azacca—and cranberry puree, this easy drinking Irish Ale is a great beer when you're having more than one. The hint of cranberry on the tail end is a nice bonus... not too much, just enough to let you know it's there.
