WE TRAVEL THE GLOBE, DRINK BEER, AND HAVE FUN!

It's time to end the clamp down and get back to traveling! Don't miss our only Epic Beer Trip to Scotland in 2023. This guided tour will show you the best of the country without any of the hassle of planning. You'll simply come and enjoy the trip with fellow craft beer lovers. It's the perfect balance of group adventures, plus time to explore on your own.

Meet your Beer Tripper - Captain Kurt Sima

I fell in love with Scotland after a month-long stay with my wife in 2019. There was so much history, and the craft beer scene was unlike any other. I knew I wanted to share this experience with others, which is why we added it as a destination for Epic Beer Trips.

Our 2022 Epic Beer Trip to Scotland, was a huge success. Nine Beer Trippers really enjoyed the week and it was obvious we needed to add trips to other in Europe like Ireland and England! Get ready to laugh, imbibe, and see the best Scotland with your new travel buddies."
