WE TRAVEL THE GLOBE, DRINK BEER, AND HAVE FUN!

International travel is back! Don't miss our only Epic Beer Trip to Scotland in 2024.

This guided tour will show you the best of the country without any of the hassle of planning. You'll simply come and enjoy the trip with fellow craft beer lovers. It's the perfect balance of group adventures, plus time to explore on your own.

Meet your Chief Beer Tripper - Captain Kurt

I fell in love with Scotland after a month-long stay with my wife in 2019. There was so much history, and the craft beer scene was unlike any other. I knew I wanted to share this experience with others, which is why we added it as a destination for Epic Beer Trips.

Our Epic Beer Trips to Scotland have been a lot of fun and loaded with awesome beer. Beer Trippers really enjoyed the planned activities and open time to explore on their own! Get ready to laugh, imbibe, and see the best of Scotland with your fellow Beer Trippers.

WHAT THEY'RE SAYING...

"We've been very privileged to host Kurt and his Beer Trippers on the Epic Beer Trip to Scotland over the last few years. Campervan is a highly-regarded microbrewery that sells predominantly in Scotland, so there are few chances for people outside of the UK to enjoy the beers. Epic Beer Trip offers a unique opportunity for visitors and hopefully we give an insight into the brewing traditions of Scotland, with a view to the thriving modern beer culture we enjoy here now." - Joseph Trotter, Campervan Brewery (Leith, Scotland)
