"Our trip to Ireland with Captain Kurt was amazing. The accommodations were in great locations. The attractions were within walking distance. It was a great mix of planned activities coupled with just enough free time to enjoy individual activities. Loved the 'Russ Bus' transportation! I would highly recommend the trip to others."

"Epic Beer Trips is the perfect name for this! Captain Kurt does an amazing job of finding the balance between planned activities and free time. It's so nice to have a daily activity where all you have to do is show up at the right time because Kurt handles all the transportation and tickets. Every brewery we visited was delightful and owners/brewers were wonderful. It's a low stress way to get to explore another country. I recommend Epic Beer Trips to everyone who will listen. I can't wait to go on my next trip!"
